2021 SPRING CONFERENCE AND TRADE SHOW

MAY 14-16, 2021

the DeSoto
SAVANNAH, GEORGIA

You'll WIN

at GCA's Spring Conference and Trade Show
with a variety of great seminars including:

Classes

FRIDAY, MAY 14

Clinical Science: Chiropractic Homeostasis

8 a.m.-noon and 1-5 p.m.

with Dr. Anish Bajaj

Sponsored by FootLevelers

Discover the brain/spine/foot connection and how to appropriately use diagnostics and adjusting techniques to achieve optimal health and brain function.

SATURDAY, MAY 15

Risk Management: From Documentation to Patient Relations; Protect Your Practice from Risk

8 a.m.-noon

with Aubrey Villines, J.D.

Review the common problems that create risk for practices, including documentation mistakes, professional boundaries, employee/practice issues and patient relations.

Jurisprudence: Georgia Law

Noon-1 p.m.

with Dr. Karen Mathiak

Update yourself on the laws and rules affecting chiropractic practice in Georgia.

Clinical Science: Applied Clinical Toxicology

2:30-5:30 p.m.

with Dr. Paul Goldberg

Humans are regularly exposed to a multitude of toxic substances. These materials play an increasingly dominant role in the rapidly skyrocketing chronic diseases afflicting patients. Learn how toxicology is involved in chronic disease conditions including the upsurge in autoimmune conditions, a relationship largely ignored by the medical establishment.

SUNDAY, MAY 16

Clinical Science: Clinical Toxicology and COVID-19

8 a.m.-noon

with Dr. Paul Goldberg

The 20th and 21st centuries have presented the human population with numerous epidemics and pandemics largely of their own making. Humans have created an increasingly toxic environment and are regularly exposed to a multitude of toxic substances which play a significant and growing role in the infectious conditions behind epidemics and pandemics. Uncover the relationship between toxicology and pandemics, particularly the current COVID-19 pandemic.
